simon.joven.delvillar@gmail.com

Motivated university mathematics student at UBC Okanagan with a strong background in BC high school math. Experienced working with children and youth in structured learning environments, providing clear explanations and academic support. Dependable, patient, and eager to develop tutoring skills through training while supporting students in person and online.

TUTORING FOCUS - HIGH SCHOOL

- Aligned with BC high school curriculum
- Grade 9–10 Mathematics: Foundations & Pre-Calculus
- Grade 11 Mathematics: Pre-Calculus
- Grade 12 Mathematics: Pre-Calculus and Introductory Calculus
- Physics 11 and 12

TUTORING FOCUS - UNIVERSITY

- PHYS 111 (Dynamics)
- PHYS 121 (Electricity and Magnetism)
- MATH 100 (Differential Calculus)
- MATH 101 (Integral Calculus)
- MATH 221 (Matrix Algebra)
- MATH 200 (Multi-variable Calculus)
- MATH 220 (Mathematical Proof)

EDUCATION

2025 – Present **Bachelor of Science in Mathematics** – University of British Columbia, Okanagan

Expected graduation: April 2029
- Took introductory courses in Mathematics and Physics.
- Currently taking courses in Statistics and Advanced Mathematics.
- Recipient of UBC Okanagan's International Major Entrance Scholarship and the Outstanding International Student (OIS) Award

2023 – 2025 **Rutland Senior Secondary School (Grades 11-12)**

Academic projects, coursework and achievements:
- Focus on mathematics, sciences, and computer studies
- Nominated Valedictorian, Class of 2025
- Competed in the CyberPatriot cybersecurity competition (Platinum tier placement)

WORK EXPERIENCE

2024-2025 **Fencing Program Assistant/Coach** - Okanagan Freestyle Fencing

- Assisted the head coach in running fencing camps and classes from youth to adult participants.
- Explained technical concepts clearly and patiently to beginners
- Supervised training sessions to ensure a safe, structured, and supportive training environment
- Assisted with lesson organization, equipment setup, and program logistics.

2025– present **After School Supervisor** - Rutland Community School

- Supported delivery of age-appropriate activities (arts & crafts, games, physical activities)
- Supervised children during indoor and outdoor activities to ensure safety and well-being.
- Used positive behaviour guidance strategies and communicated respectfully with staff, families and children

SKILLS AND QUALIFICATIONS

- Clear, patient explanation of mathematical concepts
- Guided problem-solving and homework support
- Ability to adapt explanations to different learning styles
- Experience working with youth in structured learning environments
- Strong organization and communication skills
- Proficient with Zoom and online learning tools
- Reliable local transportation within Kelowna
